We're inviting organisations to become part of our **Member Benefits Programme** by offering an exclusive discount or special deal to NZYF members.

WHAT WE'D LOVE TO OFFER

A member-exclusive offer such as:

- A percentage or dollar discount
- Free shipping
- A bonus gift with purchase
- An exclusive promotion or package

Your offer will be featured within the NZYF Member Portal where members can browse and redeem exclusive benefits from our partners.

NZYF MEMBER BENEFITS **PROGRAMME**

Partnering with the NZYF Member Benefits Programme is a simple way to connect with a highly engaged community of young people while demonstrating your support for the future of New Zealand's food and fibre sector. Your offer provides value to our members while helping build awareness of your brand.

- Reach an engaged audience of young people working and studying across NZ's food and fibre sector.
 - Increase brand awareness and customer loyalty.
 - Showcase your support for the next generation of rural leaders.
 - Gain ongoing exposure through the NZYF Member Portal, as well as opportunities for promotion through our member communications and social channels.
-

There's no cost to be involved. Simply provide an offer that works for your business, and we'll do the rest!

LET'S WORK **TOGETHER**

We'd love to discuss how we can work together to create value for both your organisation and our members!
